WHO WE ARE

Bridging International Ambition with Saudi Arabia's Growth

A licensed Foreign Investment Enterprise headquartered in Riyadh, built on cross-border expertise and multi-sector operational strength.

Our Corporate Story

Taj Al Mada Company (شركة تاج المدى) is a dynamic, Saudi-registered **Foreign Investment Company** headquartered in **Riyadh, Kingdom of Saudi Arabia**. Established as the Saudi Arabian flagship of our esteemed mother company, **MD Future Consultancy Ltd.** (headquartered in Bangladesh), Taj Al Mada was founded with a clear strategic purpose: to serve as a trusted gateway for international enterprise and high-reliability operational services in the Middle East's largest economy.

From day one, Taj Al Mada pioneered hands-on **Company Formation Consultancy** in Saudi Arabia—guiding entrepreneurs, corporate groups, and overseas investors through every stage of Ministry of Investment (MISA) licensing, Commercial Registration (CR), and regulatory onboarding for **more than two years**.

Evolution Into Multi-Sector Leadership

Recognizing the rapid digital and infrastructural transformation sweeping across Riyadh and the wider Kingdom, Taj Al Mada strategically expanded its operational footprint into high-demand commercial sectors. Today, our **primary business activity is Last-Mile Logistics**—operating a dedicated, professionally managed **"Car with Driver" fleet** partnering with Saudi Arabia's leading delivery platforms: **Noon, Keeta, HungerStation, and Jahez**.

Complementing our flagship Logistics and Company Formation divisions, Taj Al Mada actively operates in **Manpower Supply**, **Construction & Contracting**, and **Pharmacy & Healthcare Retail**—creating an integrated, self-reinforcing commercial ecosystem designed to deliver dependable value to corporate partners and communities alike.

PURPOSE & PRINCIPLES

Vision, Mission & Saudi Vision 2030

Guided by institutional integrity, operational speed, and full alignment with the Kingdom's historic economic transformation.

OUR VISION

To be Saudi Arabia's Most Trusted Multi-Sector Foreign Investment Partner

We envision Taj Al Mada Company as a benchmark enterprise in the Kingdom—recognized for powering high-velocity last-mile logistics, enabling seamless foreign business entry, and delivering dependable manpower, construction, and healthcare retail solutions that elevate quality of life across Saudi Arabia.

OUR MISSION

Delivering Precision Execution, Compliance & Lasting Value Every Day

We combine disciplined fleet operations, deep Saudi regulatory mastery, and cross-border human capital from our mother company **MD Future Consultancy Ltd.** to solve real operational challenges for global investors, digital platforms, corporate clients, and local communities with transparency and measurable reliability.

Our Six Core Corporate Values

01
Regulatory Integrity
Strict adherence to MISA, MOC, TGA, HRSD, ZATCA, and SFDA regulations across every license, contract, and operation.

02
Operational Velocity
Engineered for speed and punctuality—whether dispatching peak-hour delivery fleets or fast-tracking investor licensing.

03
Client Partnership
We act as long-term strategic allies, tailoring SLAs, fleet capacity, and advisory roadmaps to each client's growth stage.

04
Workforce Welfare
Investing in safe accommodation, legal sponsorship, fair payroll (WPS), training, and dignity for every driver and specialist.

05
Quality & Safety First
Zero-compromise HSE protocols on construction sites, road safety for drivers, and cold-chain accuracy in pharmacy retail.

06
Cross-Border Excellence
Uniting international commercial perspective from Bangladesh with deep on-the-ground execution mastery in Riyadh.

Direct Alignment with Saudi Vision 2030 Pillars

TAJ AL MADA DIVISION	VISION 2030 NATIONAL PROGRAM	OUR TANGIBLE CONTRIBUTION IN THE KINGDOM
Logistics Fleet Ops Main Activity	National Transport & Logistics Strategy (NTLS)	Strengthening Riyadh's last-mile urban commerce infrastructure through reliable Car-with-Driver delivery capacity for top digital platforms.
Company Formation	National Investment Strategy (NIS / MISA)	Attracting qualified foreign direct investment (FDI) into KSA by simplifying market entry for international entrepreneurs and enterprises.
Manpower Supply	Human Capability & Labor Market Reform	Supplying legally compliant, vetted, and trained skilled talent under Qiwa, GOSI, and Mudad wage-protection frameworks.
Construction	Housing, Urbanization & Infrastructure	Supporting Riyadh's rapid commercial expansion with safe, timely civil contracting, interior fit-outs, and MEP execution.
Pharmacy Retail	Health Sector Transformation Program	Expanding neighborhood access to SFDA-compliant pharmaceuticals, preventive wellness, and licensed clinical consultation.

EXECUTIVE PERSPECTIVE

Message from Executive Management

Committed to institutional excellence, lasting partnerships, and accountable growth across the Kingdom of Saudi Arabia.

"Dear Partners, Clients, and Stakeholders,"

The Kingdom of Saudi Arabia stands today at the center of one of the world's most inspiring economic transformations. Under the visionary leadership of the Kingdom and the momentum of Saudi Vision 2030, Riyadh has emerged as a magnet for international investment, digital commerce, modern infrastructure, and elevated community services.

When we established **Taj Al Mada Company** in Riyadh under the umbrella of our mother company, **MD Future Consultancy Ltd. (Bangladesh)**, our ambition was clear: to build a fully compliant foreign investment enterprise that does not merely advise from the sidelines, but actively builds, operates, and delivers results on the ground.

Over the past two-plus years, we have proudly guided numerous international investors through smooth Saudi company formation while scaling our core operational engine—**Car-with-Driver Logistics**—serving major platforms including **Noon, Keeta, HungerStation, and Jahez**. Simultaneously, our expansion into **Manpower Supply, Construction Contracting, and Pharmacy Retail** reflects our unwavering belief in Saudi Arabia's long-term prosperity.

> *"Our promise is simple: every vehicle dispatched, every company formed, every project constructed, and every patient served carries the crown of Taj Al Mada's commitment to trust, compliance, and excellence."*

Building Long-Term Foreign Investment & Commercial Alliances in Riyadh

Board of Directors & Executive Management
Taj Al Mada Company (Riyadh, KSA) & MD Future Consultancy Ltd. (Bangladesh)

INSTITUTIONAL BACKBONE

Corporate Governance, Ethics & Compliance Framework

ZERO-COMPROMISE COMPLIANCE

Transparent Legal Structure

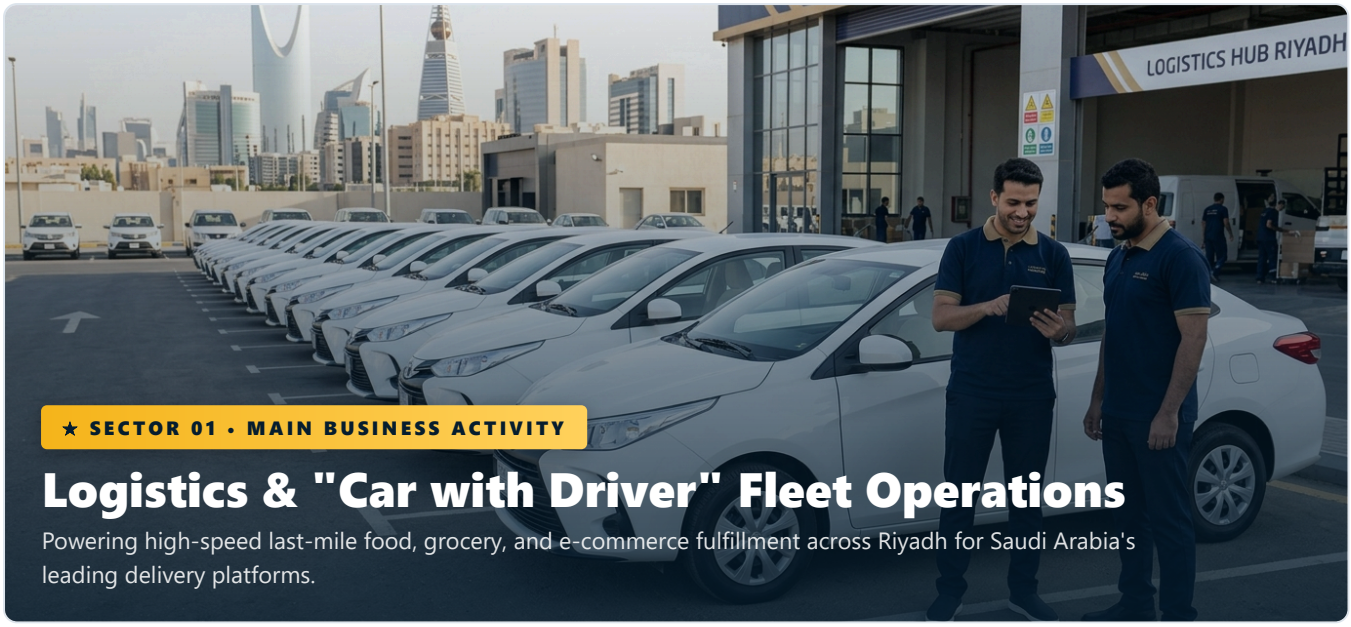
Fully licensed foreign investment entity operating with verified MISA investment authorization, active Commercial Registration, and Riyadh Chamber membership.

Financial & Tax Discipline

Full ZATCA e-invoicing (Fatoora) and VAT compliance, audited corporate accounting, corporate banking transparency, and timely Wage Protection System (Mudad) payroll.

Sector-Specific Licensing

Dedicated operational adherence to Transport General Authority (TGA) logistics standards, HRSD/Qiwa labor governance, municipal safety codes, and SFDA pharmacy standards.



★ SECTOR 01 • MAIN BUSINESS ACTIVITY

Logistics & "Car with Driver" Fleet Operations

Powering high-speed last-mile food, grocery, and e-commerce fulfillment across Riyadh for Saudi Arabia's leading delivery platforms.

4 Giants	24 / 7	100%	Riyadh+
NOON • KEETA • HUNGER • JAHEZ	DISPATCH & FLEET CONTROL	LICENSED CAR-WITH-DRIVER	HIGH-DENSITY ZONE COVERAGE

Flagship Last-Mile & On-Demand Mobility Engine

Logistics is the core operational engine of Taj Al Mada Company. As Saudi Arabia's e-commerce, quick-commerce, and food delivery ecosystem experiences record expansion, digital platforms require more than just vehicles—they require disciplined, fully legal, SLA-driven fleet partners capable of maintaining uptime even during Riyadh's most demanding peak hours and summer climate conditions.

Taj Al Mada specializes in turnkey **"Car with Driver" logistics solutions**. We provide well-maintained, air-conditioned modern sedans paired with legally sponsored, Saudi-licensed, professionally trained drivers who operate seamlessly inside the dispatch ecosystems of **Noon, Keeta, HungerStation, and Jahez**. Our four-wheel sedan delivery model offers superior temperature protection, higher multi-order batch capacity, year-round weather resilience, and elevated road safety compared to conventional two-wheel fleets.

Core Logistics Service Capabilities

On-Demand Food & Q-Commerce Delivery

High-frequency urban delivery from restaurants, cloud kitchens, and dark stores with insulated cargo handling, rapid pickup turnaround, and real-time order telemetry.

E-Commerce & Retail Last-Mile Fulfillment

Scheduled same-day and next-day parcel delivery for leading retail marketplaces, covering residential compounds, corporate offices, and commercial districts across Riyadh.

Dedicated Corporate Car-with-Driver Leasing

Turnkey monthly and multi-year fleet allocations for enterprise brands, pharmacies, and distributors—complete with vehicle maintenance, fuel management, and replacement guarantees.

Peak-Season & Surge Fleet Scaling

Rapidly deployable reserve drivers and vehicles engineered to absorb Ramadan, Eid, National Day, Riyadh Season, and weekend order surges without dropping acceptance rates.

TRUSTED BY LEADING DIGITAL PLATFORMS

Aggregator Partnerships & Fleet Excellence

Delivering consistent SLA performance, legal compliance, and customer satisfaction across Saudi Arabia's top delivery ecosystems.

Noon
E-COMMERCE & MINUTES / FOOD

Supporting Noon's high-velocity e-commerce, Noon Food, and ultra-fast quick-commerce operations in Riyadh with reliable Car-with-Driver units focused on high first-attempt delivery success and pristine parcel integrity.

Keeta
ON-DEMAND FOOD DELIVERY

Partnering with Keeta's rapid Riyadh expansion through agile, zone-optimized drivers trained for strict on-time delivery guarantees, rapid merchant pickup, and courteous doorstep customer service.

HungerStation
KINGDOM'S PIONEER AGGREGATOR

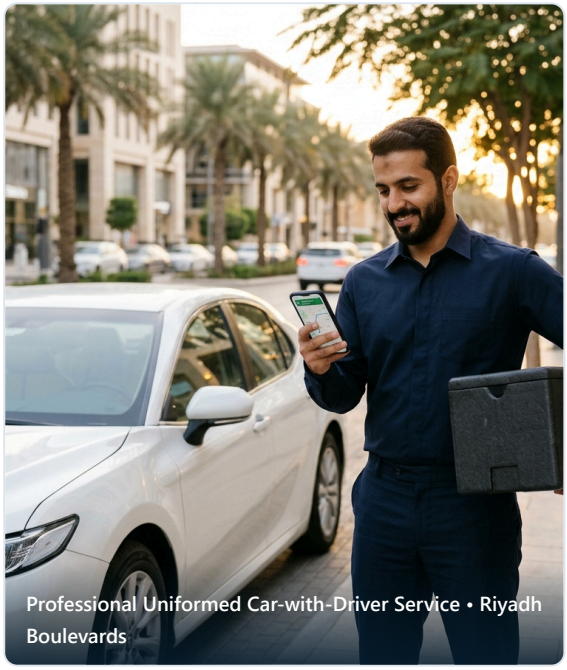
Operating dedicated shifts across Riyadh's highest-volume restaurant and grocery zones for HungerStation, maintaining strong shift attendance, acceptance discipline, and temperature-safe food delivery.

Jahez
LEADING SAUDI DELIVERY PLATFORM

Delivering dependable Car-with-Driver capacity for Jahez with climate-controlled sedans, clean uniform standards, and responsive fleet supervisors who monitor live dispatch performance round the clock.

End-to-End Car-with-Driver Fleet Management

- **Modern Climate-Controlled Fleet:** Fuel-efficient, regularly serviced sedans kept clean inside and out to preserve food quality and parcel condition even in peak Riyadh heat.
- **100% Legal Driver Sponsorship & Licensing:** Every driver holds a valid Saudi driving license, active Iqama, TGA/platform compliance clearance, and comprehensive medical & motor insurance.
- **Driver Induction & Route Mastery:** Structured onboarding covering Riyadh neighborhood navigation, app workflow discipline, customer etiquette, hygiene, and defensive driving.
- **24/7 Operations & Fleet Supervision:** Dedicated fleet managers track active hours, order acceptance rates, vehicle uptime, and immediate backup vehicle swaps to prevent downtime.
- **Driver Housing & Welfare Program:** Clean company-managed driver accommodation, transparent incentive-linked earnings, and dedicated administrative support that maximize driver retention.



Professional Uniformed Car-with-Driver Service • Riyadh Boulevards

WHY AGGREGATORS & ENTERPRISE BRANDS CHOOSE TAJ AL MADA LOGISTICS

Zero-Downtime Swaps
Standby vehicles & preventive maintenance keep fleets rolling daily.

High Retention Drivers
Strong welfare & timely payouts reduce turnover and boost quality.

KPI Accountability
Daily tracking of on-time delivery, ratings, and shift compliance.

Rapid Expansion Ready
Direct talent pipeline via MD Future Consultancy Ltd. for fast scaling.

SECTOR 02 • CORPORATE & FOREIGN INVESTMENT ADVISORY

Company Formation & KSA Business Setup Consultancy

Over 2+ years of specialized on-the-ground expertise empowering foreign investors to establish 100% foreign-owned companies in Saudi Arabia.

2+ Years	100%	End-to-End	Dual Desk
PROVEN KSA ADVISORY RECORD	FOREIGN OWNERSHIP STRUCTURING	MISA TO BANK & IQAMA	DHAKA & RIYADH COORDINATION

Our Founding Heritage in Saudi Business Formation

Company Formation Consultancy is where Taj Al Mada's Saudi journey began. For more than two years, we have served as a dedicated corporate launchpad for international founders, SMEs, and enterprise groups entering the Kingdom of Saudi Arabia. Having navigated the exact foreign investment framework ourselves—as a subsidiary of **MD Future Consultancy Ltd. (Bangladesh)**—we bring practical, first-hand mastery rather than theoretical advice.

Navigating Saudi Arabia's regulatory environment involves coordinating seamlessly across multiple government ministries and digital portals—including MISA (Ministry of Investment), the Ministry of Commerce (MOC), ZATCA, the Chamber of Commerce, Qiwa, GOSI, Mudad, and banking institutions. Our bilingual corporate specialists eliminate bureaucratic bottlenecks, ensure error-free legal documentation, and guide investors from initial feasibility all the way to an operational Riyadh office and General Manager residency (Iqama).

Cross-Border Pre-Arrival Advantage (Dhaka ↔ Riyadh)

Through our mother company **MD Future Consultancy Ltd.** in Bangladesh, South Asian and global investors receive seamless pre-departure document attestation, apostille/embassy legalization guidance, and financial audit preparation *before* even boarding a flight to Riyadh—cutting weeks off setup timelines.

Who We Serve

- 100% Foreign-Owned LLCs & Entrepreneurial Ventures
- Branches of Foreign Companies expanding into KSA
- Joint Ventures between Saudi & International Partners
- Logistics, Trading, Contracting, Tech & Service Entities

STRUCTURED EXECUTION

6-Stage Saudi Company Formation Roadmap

A clear, transparent, milestone-driven incorporation workflow designed for speed, accuracy, and total legal peace of mind.

01

MISA Investment License

Entity structure advisory, parent document verification, ISIC business activity selection, and Ministry of Investment (MISA) license issuance.

02

Commercial Registration (CR)

Trade name reservation, drafting & notarization of Articles of Association (AoA), and official Ministry of Commerce CR issuance.

03

Chamber & National Address

Riyadh Chamber of Commerce activation, SPL National Address registration, and commercial office lease / Balady municipal compliance.

04

ZATCA Tax & VAT Setup

Registration with Zakat, Tax & Customs Authority (ZATCA), Tax Identification Number (TIN), VAT compliance setup, and e-invoicing readiness.

05

Labor & Government Portals

Full activation of Ministry of Human Resources (Qiwa), GOSI Social Insurance, Mudad Wage Protection, Muqeem, and Absher Business portals.

06

GM Visa, Iqama & Banking

General Manager investor visa issuance, Saudi residency (Iqama) processing, medical & biometrics coordination, and corporate bank account assistance.

Comprehensive Post-Formation & Corporate Support Suite

ADVISORY MODULE	SCOPE OF DELIVERABLES
Foreign LLC & Branch Setup	Complete incorporation for Service, Trading, Logistics, Industrial, Contracting, and Entrepreneurial MISA license categories.
License Amendments & Renewals	Annual MISA license renewals, CR renewals, adding/modifying business activities, shareholding transfers, and capital amendments.
PRO & Government Relations	Dedicated Arabic-English liaison officers managing municipal permits (Balady), Civil Defense approvals, and ministerial follow-ups.
Visa Quota & Labor Compliance	Strategic Saudization (Nitaqat) planning, employee work visa block applications, Iqama transfers, and Qiwa contract administration.
Accounting, VAT & ZATCA Advisory	Ongoing bookkeeping guidance, quarterly VAT filings, annual corporate tax/zakat preparation, and statutory financial audit coordination.
Market Entry & Operational Launch	Office space sourcing, warehousing/fleet alignment, and smooth transition into Taj Al Mada's Manpower, Fit-Out, and Logistics divisions.

SECTOR 03 • HUMAN CAPITAL & STAFFING

Manpower Supply & Compliant Workforce Solutions

Mobilizing vetted, skilled, and legally sponsored personnel across logistics, construction, hospitality, warehousing, and corporate operations.

100%	6+ Fields	Fast	Full Care
QIWA & GOSI COMPLIANT	SPECIALIZED INDUSTRY VERTICALS	RAPID LOCAL MOBILIZATION	HOUSING, INSURANCE & WPS

Reliable Human Capital Powering Saudi Enterprise

As giga-projects, retail chains, logistics hubs, and commercial developments accelerate across Riyadh and the Kingdom, access to dependable, legally compliant manpower is a decisive competitive edge. **Taj Al Mada's Manpower Supply Division** bridges workforce gaps with trained, disciplined, and fully documented personnel tailored to both short-term project peaks and long-term operational contracts.

Leveraging our dual-country reach with mother company **MD Future Consultancy Ltd. (Bangladesh)** alongside our local KSA recruitment and sponsorship infrastructure, we manage the entire workforce lifecycle—from skills vetting, medical screening, and Saudi labor onboarding to accommodation, transport, health insurance, and Wage Protection System (Mudad) payroll management. Clients enjoy productive teams on site while Taj Al Mada handles every HR and compliance responsibility.

Four Pillars of Our Workforce Advantage

Zero-Risk Labor Law Compliance

Every deployed employee is covered by verified Qiwa contracts, active GOSI social insurance, valid Iqama sponsorship, comprehensive medical coverage, and Mudad WPS payroll compliance.

Rigorous Skills & Attitude Screening

Multi-stage trade testing, background verification, safety orientation, and communication checks ensure personnel integrate smoothly into client SOPs from day one.

Flexible Contract Models

Choose from monthly managed staffing, seasonal surge manpower, project-based technical crews, or dedicated long-term corporate outsourcing agreements with clear SLAs.

Managed Welfare & Supervision

Dedicated field coordinators oversee attendance, site discipline, employee housing, and rapid replacement coverage—maximizing uptime and workforce morale.

SPECIALIZED TALENT SUPPLY

Workforce Categories & Mobilization Pipeline

Structured staffing solutions across six core Saudi Arabian industries, backed by an accountable cross-border recruitment workflow.

01
Logistics & Fleet Drivers
- Licensed Light & Delivery Drivers
- Van & Last-Mile Couriers
- Fleet Dispatch Coordinators
- Loading & Sorting Assistants

02
Construction & Civil Trades
- Masons, Carpenters & Steel Fixers
- Electricians, Plumbers & HVAC Techs
- Site Supervisors & Safety Marshals
- Fit-Out Finishers & General Helpers

03
Warehouse & Supply Chain
- Forklift & Reach-Truck Operators
- Inventory & Barcode Clerks
- Pickers, Packers & QC Checkers
- Cold-Chain Storage Attendants

04
Facility & Hospitality Staff
- Commercial Cleaning & Janitorial
- Building Maintenance Technicians
- Kitchen Helpers & Stewards
- Reception, Bellman & Concierge

05
Retail & Healthcare Support
- Retail Sales & Merchandisers
- Cashiers & Store Assistants
- Pharmacy Stock & Support Aides
- Customer Service Representatives

06
Corporate & Technical
- Administrative & Data Assistants
- Bilingual PRO & Document Clerks
- IT Support & Network Technicians
- Junior Accountants & Coordinators

5-Stage Cross-Border & Local Mobilization Pipeline

Service-Level Guarantees for Corporate Staffing Partners

48–72h	100%	Zero	24 / 7
LOCAL REPLACEMENT SLA	MUDAD WPS PAYROLL	CLIENT HR ADMIN BURDEN	FIELD COORDINATOR DESK

Workforce Welfare & Retention Charter

We believe productive teams begin with respectful management. Taj Al Mada ensures clean, municipality-compliant staff accommodation, scheduled transport to client sites, comprehensive health insurance, transparent electronic payroll via Mudad, and responsive multilingual HR support.

Direct Employer Responsibility

Partnering with Taj Al Mada removes administrative overhead from your HR team—we absorb recruitment lead times, sponsorship renewals, vacation rotations, end-of-service accruals, and immediate standby replacements so your operations stay uninterrupted year-round.

SECTOR 04 • CIVIL WORKS & COMMERCIAL FIT-OUT

Construction & General Contracting Services

Delivering structurally sound civil contracting, modern commercial interior fit-outs, MEP installations, and facility upgrades across Riyadh.

Turnkey	SBC	Zero-LTI	On-Time
CIVIL, FIT-OUT & MEP DELIVERY	SAUDI BUILDING CODE ALIGNED	STRICT HSE SAFETY CULTURE	MILESTONE-DRIVEN HANDOVER

Building Modern Commercial & Urban Spaces in KSA

Riyadh is undergoing one of the largest urban expansions in modern history. **Taj Al Mada's Construction & Contracting Division** participates actively in this growth by delivering dependable civil construction, high-specification commercial interior fit-outs, warehousing enhancements, and mechanical-electrical-plumbing (MEP) contracting tailored to commercial developers, corporate tenants, and retail operators.

Backed by our in-house manpower resources and disciplined project management, we bring together qualified civil engineers, skilled trade technicians, and vetted Saudi material suppliers to execute projects safely, cleanly, and within agreed budgets. Whether constructing structural annexes, transforming shell-and-core retail units into modern pharmacies and offices, or executing comprehensive facility renovations, Taj Al Mada upholds exacting Saudi Building Code (SBC) and municipal standards.

Key Sectors Served by Our Contracting Division

Corporate Offices & Commercial Buildings

Turnkey executive office fit-outs, glass partitioning, acoustic ceilings, flooring, reception design, lighting automation, and structured IT cabling for businesses launching in Riyadh.

Retail Showrooms, Pharmacies & F&B Outlets

Precision interior build-outs aligned with Balady and Civil Defense regulations—including bespoke cabinetry, sanitary zones, refrigeration readiness, and brand-compliant storefronts.

Warehouses, Logistics Hubs & Industrial Facilities

Epoxy industrial flooring, structural steel mezzanines, loading bay enhancements, temperature-controlled partitions, and fire-safety upgrades supporting supply-chain operations.

Residential Compounds & Building Maintenance

Villa and apartment structural works, facade refurbishments, waterproofing, painting, and annual preventive building maintenance contracts (AMC).

ENGINEERING PRECISION

Technical Capabilities, Execution & HSE

Disciplined engineering management, multi-trade execution, and unyielding Health, Safety & Environment (HSE) governance.

Civil & Structural Contracting

- Site preparation, excavation, foundations & reinforced concrete works
- Masonry, blockwork, plastering & structural steel fabrication
- Boundary walls, paving, interlock walkways & external hardscaping
- Waterproofing, thermal insulation & structural rehabilitation

Turnkey Interior Fit-Out & Finishing

- Gypsum board partitions, suspended ceilings & decorative joinery
- Marble, porcelain, granite, parquet & industrial epoxy flooring
- Aluminum & frameless tempered glass office/storefront glazing
- Premium interior/exterior painting, cladding & custom signage prep

MEP (Mechanical, Electrical & Plumbing)

- LV electrical distribution panels, lighting design & power networks
- HVAC ducting, split/concealed/VRF air-conditioning installations
- Water supply, drainage, sanitary fixtures & booster pump systems
- Fire alarm, sprinkler coordination & Civil Defense compliance prep

Project Management & Facility AMC

- BOQ estimation, value engineering & transparent cost control
- Approved material procurement from SASO-certified KSA vendors
- Weekly site progress reporting & milestone quality sign-offs
- Post-handover warranty support & preventive maintenance programs

4-Phase Turnkey Project Delivery Lifecycle

PHASE 01
Survey & Engineering
Site inspection, shop drawings, BOQ pricing, schedule planning & municipal permit alignment.

PHASE 02
Mobilization & Build
Site safety setup, material delivery, civil/MEP execution & daily supervisory oversight.

PHASE 03
QA / QC Testing
Multi-point structural, MEP load, waterproofing & finishing inspections prior to snag closure.

PHASE 04
Handover & Care
As-built documentation, client walkthrough, defect-liability warranty & optional facility AMC.

NON-NEGOTIABLE SITE STANDARD

Health, Safety & Environment (HSE) & QA Commitment

SAFETY FIRST • ALWAYS

Mandatory PPE & Toolboxes
Daily pre-shift toolbox talks, certified helmets, vests, harnesses, and strictly enforced site perimeter controls.

Saudi Code & SASO Materials
Exclusive use of SASO-approved electrical, plumbing, and civil materials adhering to Saudi Building Code specifications.

Clean & Sustainable Sites
Responsible debris disposal, dust/noise mitigation in commercial zones, and energy-efficient MEP specifications.

SECTOR 05 • HEALTHCARE & COMMUNITY WELLNESS

Pharmacy & Modern Healthcare Retail Business

Delivering authentic SFDA-approved pharmaceuticals, licensed clinical guidance, and elevated everyday wellness care to communities in Saudi Arabia.

SFDA	Licensed	Cold-Chain	Express
100% AUTHORIZED SUPPLY CHAIN	QUALIFIED CLINICAL PHARMACISTS	PRECISION TEMP MONITORING	HOME DELIVERY SYNERGY

Elevating Everyday Community Healthcare in Riyadh

Healthcare and preventive wellness represent one of the highest-priority pillars of Saudi Vision 2030. **Taj Al Mada's Pharmacy & Healthcare Retail Division** was established to serve families, residents, and patients with accessible, welcoming, modern neighborhood pharmacies built upon clinical trust, genuine product sourcing, and compassionate pharmacist consultation.

Every aspect of our pharmacy operation is engineered to meet the rigorous standards of the **Saudi Food and Drug Authority (SFDA)** and the **Ministry of Health (MOH)**. From automated temperature-monitored pharmaceutical storage and track-and-trace (RSD) verification to curated dermocosmetics, maternal care, and chronic disease management support, we blend pharmaceutical accuracy with a refined modern retail experience.

Core Pillars of Our Pharmacy Business

Patient-Centric Clinical Consultation

Licensed, attentive pharmacists provide clear dosage counseling, drug-interaction checks, chronic medication guidance, and wellness advice tailored to each customer.

Verified Pharmaceutical Authenticity

Strict procurement exclusively from SFDA-licensed Saudi distributors and authorized manufacturers with full batch traceability and expiry governance.

Modern Wellness & Retail Experience

Bright, hygienic, thoughtfully organized pharmacy interiors offering seamless browsing across skincare, baby nutrition, vitamins, and home medical diagnostics.

Rapid Healthcare Delivery Synergy

Powered by Taj Al Mada's flagship Logistics division, enabling safe, climate-controlled doorstep delivery of wellness orders and urgent essentials across Riyadh.

CLINICAL QUALITY & CURATED WELLNESS

Product Portfolio & SFDA Clinical Standards

A comprehensive range of pharmaceuticals, dermocosmetics, and healthcare essentials backed by strict regulatory compliance.

01
Prescription Medicines

Comprehensive formulary supporting chronic care (diabetes, hypertension, cardiovascular), acute therapeutics, and electronic prescription readiness.

02
OTC & Primary Relief

Trusted over-the-counter remedies for pain relief, seasonal allergies, respiratory care, digestive health, and family first-aid essentials.

03
Dermocosmetics & Skin

Dermatologist-recommended sun protection, clinical skincare, hydration regimens, and hair-care lines suited for Saudi Arabia's climate.

04
Mother & Baby Care

SFDA-certified infant formulas, prenatal vitamins, gentle pediatric hygiene products, feeding accessories, and postnatal wellness care.

05
Vitamins & Nutrition

Immunity boosters, Vitamin D & mineral complexes, sports nutrition, collagen, and preventive wellness supplements for all age groups.

06
Home Medical Devices

Digital blood pressure monitors, glucometers & test strips, nebulizers, orthopedic supports, thermometers, and home nursing supplies.

Regulatory & Clinical Governance Matrix

COMPLIANCE DOMAIN	TAJ AL MADA PHARMACY OPERATIONAL PROTOCOL
SFDA & RSD Track-and-Trace	Every serialized pharmaceutical unit is verified against the SFDA Drug Track & Trace System (RSD) to guarantee 100% authenticity and counterfeit prevention.
Climate & Cold-Chain Integrity	24/7 digital temperature and humidity loggers across dispensing rooms and medical refrigerators (2°C–8°C) protect insulin, biologics, and sensitive formulations.
MOH Licensed Pharmacists	Staffed by Saudi Commission for Health Specialties (SCFHS) classified pharmacists ensuring accurate dispensing and ethical patient counseling.
Digital Health & Insurance Readiness	Positioned for seamless integration with Saudi e-prescription ecosystems (Wasfaty), private health insurance networks, and rapid e-commerce fulfillment.

Patient Experience & Omnichannel Care Standards

Chronic Care Counseling

Dedicated pharmacist follow-up for diabetes, hypertension, and long-term medication adherence.

Bilingual Hospitality

Warm Arabic and English clinical service tailored to Riyadh's Saudi families and international residents.

Express Riyadh Dispatch

Direct access to Taj Al Mada's climate-controlled sedans for safe, rapid home healthcare delivery.

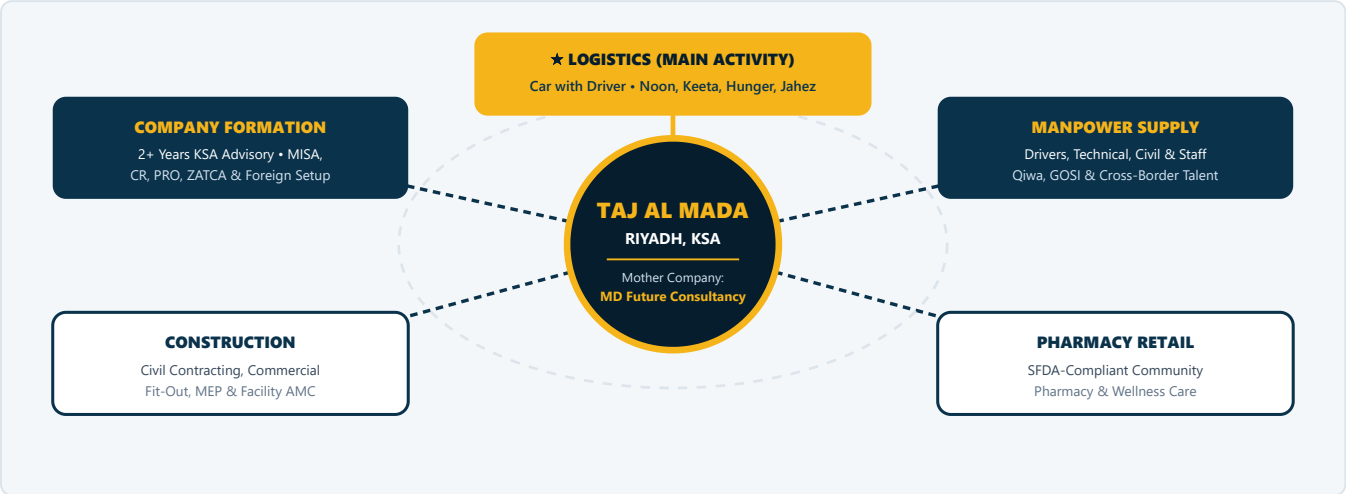
Growth Vision: Building a Trusted Neighborhood Healthcare Network

Combining Taj Al Mada's in-house **Construction Fit-Out** team, **Manpower** infrastructure, and **Car-with-Driver Logistics** network gives our Pharmacy division a rare structural advantage: we can design, build, staff, stock, and provide rapid temperature-safe home delivery for expanding community pharmacy locations across Riyadh with unmatched speed and operational control.

THE POWER OF ONE PARTNER

Integrated Multi-Sector Business Ecosystem

How Taj Al Mada's five divisions and Bangladesh mother company reinforce one another to deliver unmatched end-to-end value in Saudi Arabia.



Six Reasons Leading Partners Trust Taj Al Mada Company

01
Proven Saudi Execution

Over two years of active company formation and live high-volume delivery operations in Riyadh give us grounded local operational mastery.

02
Tier-1 Platform Validation

Operating daily with Noon, Keeta, HungerStation, and Jahez proves our ability to meet strict enterprise SLAs and fleet discipline.

03
Dhaka–Riyadh Bridge

Direct institutional backing from MD Future Consultancy Ltd. (Bangladesh) accelerates international investor onboarding and talent sourcing.

04
One-Stop Turnkey Synergy

We can form your KSA company, fit out your office or store, supply your compliant staff, and manage your last-mile deliveries under one roof.

05
100% Regulatory Fidelity

We never cut legal corners—full compliance with MISA, MOC, TGA, HRSD, ZATCA, and SFDA protects our clients' reputation and continuity.

06
Scalable Capital & Agility

Decision-makers are accessible directly in Riyadh, enabling fast custom proposals, flexible fleet scaling, and responsive problem-solving.

1 Partner	2 Countries	4 Giants	100%
5 INTEGRATED DIVISIONS	KSA OPS • BANGLADESH HQ	ACTIVE DELIVERY PLATFORMS	SAUDI LEGAL COMPLIANCE

Real-World Synergy in Action

When an overseas investor partners with Taj Al Mada, our **Company Formation** desk secures their MISA license and CR; our **Construction** division builds their Riyadh commercial space; our **Manpower** team mobilizes compliant personnel; and our **Logistics** fleet delivers their products across the city—turning months of fragmented vendor coordination into one seamless corporate relationship.

PRESENCE & INSTITUTIONAL READINESS

Operational Footprint & Compliance Credentials

Strategically anchored in Riyadh with cross-Kingdom scalability and direct mother-company coordination in Bangladesh.

PRIMARY HEADQUARTERS

Riyadh, Saudi Arabia

Executive HQ, Car-with-Driver fleet command center (serving Noon, Keeta, HungerStation & Jahez), MISA advisory office, construction management & pharmacy retail hub.

KINGDOM-WIDE REACH

KSA Expansion Corridors

Nationwide company formation advisory, manpower mobilization, and contracting support extending across Central (Riyadh), Western (Jeddah/Makkah), and Eastern (Dammam/Khobar) Provinces.

MOTHER COMPANY BASE

Bangladesh Office

MD Future Consultancy Ltd. serves as our international investor consultation desk, pre-arrival documentation center, and cross-border skilled talent pipeline into KSA.

Saudi Regulatory & Institutional Alignment

Taj Al Mada Company operates in full compliance with the Kingdom's commercial, transport, labor, taxation, and healthcare authorities:

MISA Ministry of Investment • Foreign Investment Licensing	**MOC** Ministry of Commerce • Commercial Registration (CR)	**TGA** Transport General Authority • Delivery & Fleet Standards	**ZATCA** Zakat, Tax & Customs • VAT & E-Invoicing (Fatoora)
QIWA / HRSD Ministry of Human Resources • Digital Labor Contracts	**GOSI / MUDAD** Social Insurance & Wage Protection System (WPS)	**SFDA / MOH** Food & Drug Authority • Pharmacy & RSD Standards	**BALADY** Municipal Permits, Civil Defense & Riyadh Chamber

How to Partner With Taj Al Mada Company

STEP 01
Discovery Call
Share your fleet, setup, manpower, contracting, or pharmacy objectives with our Riyadh leadership team.

STEP 02
Tailored Proposal
Receive a transparent commercial proposal with clear pricing, timelines, compliance scope, and KPIs.

STEP 03
SLA & Onboarding
Formalize service agreement, align government portal requirements, and assign a dedicated account lead.

STEP 04
Live Execution
Rapid mobilization of fleets, advisors, staff, or project teams backed by ongoing performance reporting.
